TVMS Band Instrument Selection

Welcome Future Terra Vista Middle School Students!!!

With the final weeks of the school year approaching, we would like to prepare incoming students for membership into the TVMS Tiger Band Family in the 2018-2019 school year. Students who are currently signed up for band need to be surveyed and recommended for instrument placement before the end of school; **we will also be happy to include students who are still *considering* membership in band for next year!** We want to extend invitations to our Instrument Choice night for *all* students and their parents:

Instrument Choice Night/Instrument Drive, 3:30pm-7:00pm-TVMS Band Hall

Tuesday, May 15th
Thursday, May 17th

- additional instrument "fittings" can be accomplished by appointment; contact a band director-
- Reserve instruments and supplies from the two local music stores
- Come and go at your convenience

Some instruments have enrollment limitations and may fill up quickly.
(especially Oboe, Bassoon, Tuba, & Percussion)

Final instrument placement will depend upon a combination of factors, including:

- Student Choice
- Success Making Basic Sounds
- Physical Characteristics
- Academics
- Character
- Available Band Instrumentation

We want students to take instruments home to practice after the *first* week of school in Fall 2019; being involved early in the instrument selection and purchase process will be very helpful in meeting that goal!
