3. A 30% down payment is required
4. The remaining balance may be divided as desired

After paying the 30% down payment online, you may print your total bill (it will be emailed to you), bring it into the band office where Ms. Knight can help you create a customized payment plan and assist you in how to make subsequent payments.

Quick Tips

1. Be sure to complete a numerical entry for each item you purchase in the "Quantity" field. In most instances you will input "1", however, you may enter as many as desired. For example, you may want to purchase 3 band shirts (student, Mom, and Dad). Be sure to check that you're ordering the correct sizes when necessary.
2. Please understand the ordering criteria for the Meal Deal. Each day offers food from a specific restaurant. Choose meals for any number of days throughout Summer Band (1 to 10).
