## Quick Tips

1. Be sure to complete a numerical entry for each item you purchase in the "Quantity" field. In most instances you will input "1", however, you may enter as many as desired. For example, you may want to purchase 3 show shirts (student, Mom, and Dad). Be sure to check that you're ordering the correct sizes when necessary.
2. Please understand the ordering criteria for the Meal Deals. Each day offers food from a specific vendor. Choose the days you would like to eat throughout Summer Band.
