When the term “Unless Already Owned” is used, this means that the items for sale are required to be purchased each year unless you already own them. For example, a student may already own the required rehearsal gear and therefore does not need to purchase it again. There are some required items that no one “already owns” and need to be purchased every year. Examples of these items could include: performance jersey, show shirt, water fee, etc. Of course, if a student already owns something, but has lost it, outgrown it, etc., then they need to purchase a new one. All new members will need to purchase everything.

Here is an easy breakdown of what could fall into the “unless already owned” category.

	Could be “already owned”	Must purchase each year
Band	Rehearsal gear shirt Rehearsal gear shorts Black marching shoes White gloves	Performance jersey Show shirt Water fee
Guard	Rehearsal gear shirt Rehearsal gear shorts Flag/pole Flag bag Guard gloves Guard shoes	Guard uniform Show shirt Water fee

Percussion	Rehearsal gear shirt	Performance jersey
	Rehearsal gear shorts	Show shirt
	Black marching shoes	Percussion shirt
		Stick & Mallet fee
		Water fee

Marching Band Required Items

(Unless already owned)

Band Shirt – Also referred to as ‘Show Shirt’ this item is worn by all band members under their uniform on some Friday nights and all competition days. Because students wear them often (and are often lost) many families purchase more than one. This is also a GREAT way for parents to promote and support your student(s) in the program.

Rehearsal Gear – You may purchase just shorts, just the shirt, or both. New members are required to purchase both. This gear is worn for every Monday Night Rehearsal and Game Day Rehearsal. The shorts will be worn under the uniform to create uniformity, promote comfort, and allow for quick uniform changes. Two styles of shorts exist. Men’s = “basketball” style.

Women’s = “Nike” style (no pockets).

Performance Jersey – Much like Under Armour compression gear, this item is a stretch-flex jersey that is custom-printed to match the color and thematic of this year’s marching production. If the uniform jacket is used, it is worn under the marching uniform jacket with the sleeves visible and color showing through the ‘keyhole’ of the jacket’s chest.

Bottled Water – Over the course of an entire marching season, your student will consume *at least* two cases of bottled water at various events (games, rehearsals, contests, etc.). This covers the cost of those two cases of bottled water.

Note: Some items will not require you to pick a size. This means the Band Staff has already sized your student and will order the correct size for them.

Required, but purchased through Tarpley Music

(Unless already owned)

White Gloves – Every member of the marching band, except percussion and guard, wears white gloves. Because students wear them often (and are often lost) we **highly** encourage them to purchase multiple pairs. They come in sizes S, M, L, and XL. You can never have too many pairs of white gloves!

Black Marching Shoes – This item is a vital piece of the uniform that is designed to be much more than a simple black shoe. These shoes are custom designed with appropriate support and special custom soles for marching band.

Guard Required Items

(In addition to band shirt/rehearsal gear/bottled water. Unless already owned)

Guard Uniform – Annual themed uniform for fall marching production. Uniform is custom made to fit.

Guard Gloves – Worn to protect hands when manipulating guard equipment

Guard Shoes – Guard-specific shoes for performance

Guard Bag – Individual bag for transportation of guard equipment

Practice Flag – Pole & silk used for personal practice

Note: Guard rehearsal gear (shirt/shorts) are black. Please only order the black rehearsal gear for guard.

Percussion Required Items

(in addition to band required items)

Stick & Mallet Fee – Provides replacement sticks/mallets/etc. for percussionists. Also provides cymbal sleeves for cymbal players.
