TROUBLESHOOTING

I'm a current high school student and cannot access my account with my Frenship email address.

1. Follow the password recovery options.
2. Log in to your FHS email account and recover your password credentials.
3. Follow the steps in the emails to log into presto.

I have not been able to log in as a parent or incoming 9th grader.

1. Each NEW account must be approved by a director before you can finish the process to claim your account.
2. Once you sign up, we will approve your account request and the second notification will allow you to complete the process.

I'm a parent and I accidentally claimed my child's account with my personal email address.

1. You can edit your login info by clicking "Manage your Presto profile" in the top right hand corner.
2. Once there, you may request to change the information.
